<p>Maths PM: pg 141 and pg 143 (See See Saw Video for pg 141)</p>	<p>Maths PM: Pg 142 (Do section B the same way as pg140 and when doing section C write them one on top of the other like section A page 141- remember keep the units under the units and tens under the tens)</p>	<p>Maths PM: pg pg 144 and 148 (Pg 148- we are back to take away again like we did a few weeks ago. When doing section A and B , get an old sheet of paper and write them out one on top of the other to help you.</p>	<p>Maths PM: Pg 149 (See See Saw video for pg 149)</p>	<p>Maths PM: pg150 and 155</p>
<p>SESE Science p.94 Small World. Read all about temperature and how it tells us how hot or cold the air is around us. We can't do part (c) as it has to be done in school but if you happen to have your own thermometer at home you could try this part at home. P.95 Read about animals in hot and cold places and answer the questions.</p>	<p>SESE 'Sounds around us' p.96. Try out this experiment using glasses of water and a pencil to investigate high and low sounds. See how you get on with it. Write in your results.</p>	<p>SESE History. Read the story of 'The Wicked Fairy of Tara'...see story attached. Complete the activities at the end of the story.</p>	<p>PE Go onto the 10@ 10 site on rte player (same as what we had been doing in school) and try out some of the 10 minute activities. Try to get outside as much as possible and stay active!! - cycling, running, skipping, jumping on your trampoline, etc</p>	<p>Art Design an ice- cream cone. You could use coloured card or tinfoil for the cone part, you could use cotton wool for the ice cream part, cut out different pieces to design the ice cream. Would love to see a picture of your finished piece.</p>
