

**25th- 29th January 2021**

**Monday 25th January The subjects we would like you to upload on see saw today are English and History**

### **1st Class**

**English:PLEASE USE THE LINK ON SEESAW FOR YOUR NEW READER. WE WILL GIVE THEM OUT DURING THE WEEK AT SOME STAGE**

- Spellwell week 18 ( space out your work over the week using the same format as usual)
- Skills Book: pg 69 The Story is called 'Monkeying Around'. Complete section A- what do you think of when you hear the title. Remember you can write sentences, words or even do some drawings.
- Section B- Listen to your teacher reading the new words to you on **seesaw** or get an adult to read them to you. Remember, verbs are action or doing words..eg, walking, running, jumping, eating etc. Write down which ones are verbs.
- Section C- Write down an 'I wonder ' question about this story before you read it and also what kind of a picture do you have in your mind about this story. We have covered this in class before so it is thinking what the story may be about.
- Reader ( Fun at the Circus) pg 1- read three times.

### **Maths**

- **9 tables**
- **Master Your Maths-** week 18
- Planet Maths pg 87- look at **seesaw** for examples from your teacher
- Subtraction is counting backwards- remember when you are using a hundred square to subtract when you get to the left hand side of the hundred square go back over to the right hand side and up a row.

### **English:**

#### **2nd class:**

Spellwell week 18

Skills book p. 125 Before Reading - What words come to mind when you read the title? Write them into the spaces provided. Part A - discuss the story title using the strategies 'Questioning', 'predicting', 'connecting', 'clarifying'. Part B - word weaver... read the words and predict what the story will be about. (listen to recording on See Saw for meaning of words) Part C - write your predictions into your copies. Reading 'The Day the School Stood Still' p. 135 - read twice and look up the highlighted words you don't understand.

#### **Maths:**

~ -6 tables

~ Master Your Maths wk 18, Monday

~Planet Maths pg 85 B &C (no need to complete part A)

Part B: Draw 5 more and complete the number sentence

Part C: Write the number sentence in underneath your picture.

## **Both Classes**

### **Gaeilge:**

Our topic this week in Irish is 'Caitheamh Aimsire' - pastimes. Watch the video (ceacht a haon) on see saw followed by the translation. If you have time I want you to view the link on 'common Irish words' on seesaw and say them along with the video.

2nd class: Lit é Linn Ich 53/54 (Ag canadh=singing, og obair=working, ag seinm =playing (music), ag damhsa= dancing, ag léamh=reading)

Bua na Cainte Ich 48 'Faigh an Abairt'.

1st class: Ich 27 'Bí ag scríobh' Listen to words on See Saw

### **SESE:**

**History**We researched the inventor Thomas Edison a couple of weeks ago and found out some interesting facts about him. He is most famous for the invention of the electric light bulb. Did you know that he lost most of his hearing by the age of 12 years old? He didn't mind though as he said he was better able to focus on his experiments and inventions because of it!

I want you to look on see saw and complete the 'lightbulb' activity into your copies.

## **Tuesday 26th January The subjects we would like you to upload on see saw today are Maths and Irish**

### **1st Class**

#### **English:**

- Spellwell week 18
- Reader pg 2
  
- Skills Book: page 73- **Seesaw**
- 'Ay' says the sound in the word tray and 'ea' says the sound in tea. Listen to your teacher sounding them out on **seesaw**.
- Section A and B- complete these sections and sound out all the words and read them.
- Write words below into sentences in your copy.
- Tray, play, May, heap, leap and beak.
- Read the examples of the past tense words. Remember past tense is something that has already happened.
- Skills Book- Section C- tick the correct words. You should nearly know them by which one sounds correct.

## Maths:

- **+9 tables**
- **Master Your Maths-week 18**
- **Planet Maths- pgs 88 and 89- look on Seesaw for explanation**
- Do the questions in the middle of the pages- use your hundred square to help you. If you didn't bring your one home there is one on pg 68 of your book, Remember, a cylinder is like a tin of beans, a sphere is like a ball and a cuboid is like a deck of cards.
- Could you find somebody at home to play this game with you, all you need is a dice. If not, you can always play it on your own.

## 2nd class

### English:

Spellwell week 18

Read back over p.135 and move onto p.136. - read twice. Skills book p. 129.. Say each word - colour 'ure' red and 'ie' green. Clap and count the syllables. Part B Choose 3 'ure' and three 'ie' words and write each in a sentence in your book.

Part C - speech marks - we have gone through this during the year so we know we use speech marks "" to show what someone is saying e.g. "Look at the cat" said John. Insert the speech marks in part C.

### Maths

~ -6 tables

~ Master Your Maths, wk 18

~ Write out these sums in your copy and find the answers: (there is a 100 square on pg.72 of Planet Maths if you need one and left it in school)

a $4+7+5=$	b $9+8+3=$
c $11+4+4=$	d $0+12+12=$
e $8+8+10=$	f $12+5+4=$
g $16+6+7=$	h $22+4+5=$
i $13+10+3=$	j $5+15+7=$
k $7+27+2=$	l $12+11+6=$

## Both Classes

### Gaeilge:

Watch back over yesterdays Bua na Cainte video and answer the ceisteanna I have up on see saw into your copies. 'Cad a bhí ar siúl ag Niamh?' (What was Niamh doing?) Bhí Niamh ag.....(luascadh, dreapadh, etc). If you have time take look at the new video on seesaw with 'common Irish words' and say them along with the audio.

2nd class: Lit é Linn Ich 53/54. Ceisteanna on see saw into your copies (questions 1-6)

1st class: ceisteanna on see saw into your copies (questions 1-4)

### Geography:

Today we will be looking at maps and following a route. A map helps you to work out how to get from one place to another. We did some work on maps in our scrap books before Christmas so we should be fairly familiar with using a map. Complete the activity on see saw. Discuss whether you go straight ahead/ go left/ go right etc. I have instructions on seesaw on how to complete the activity using the tools on seesaw. Don't worry if you can't do it that way.. if you have a printer you can print out the page and if you don't just follow the routes using your finger on the screen.

Which is the longest journey? Which is the shortest journey?

### Wednesday 27th January **The subjects we would like you to upload today on see saw are English and Science**

#### 1st Class

##### English:

- Spellwell week 18
- Reader page 3 - three times.
- Skills Book : Pg 70
- Read the events at the side and predict what will happen during the story. ( Only do the prediction part, not ' what actually happened') Example on **Seesaw plus extra work**.

##### Maths:

- **+9 Tables**
- **Master your Maths week 18**
- **Planet Maths- pg 90**
- **Look at seesaw for examples from your teacher. Extra work included also.**
- Complete page 90- remember, odd numbers end with 1,3,5,7,and 9 and even numbers end with 0,2,4,6,and 8. Be careful with the pairs of socks, they must be exactly the same, take note of the heels and toes especially.

#### 2nd class

##### English

Spellwell week 18

Read back over p.136 and move onto p.137. Skills book p.130. Pick 2 fairy tales you know and write out what happened in the beginning, middle and ending..do this in your copies. Part B - Think of 4 catchy titles like the ones in the book and write them into the spaces underneath.

##### Maths:

~ -6 tables

~ Master Your Maths wk 18

~ Planet Maths pg.86 - Rounding (check seesaw for reminder on how to round numbers)

Complete part B

**Both Classes:**

**Gaeilge:**

Watch ceacht 2 (lesson 2) on see saw 'Ce a bhí ag....(ag luascadh, ag imirt peile, etc) Who was...? I want you to watch the video and pause after each question...Ce a bhí ag imirt peile? Bhí....ag imirt peile...see if you can answer the question by yourself before continuing to play the answer. Watch new 'common Irish words' video on see saw.

2nd class: Lit é Linn Ich 53/54. Leabhar oibre(work book) Ich 49

1st class Work book Ich 28 'Bí ag léamh' agus Ich 29 'Bí ag scríobh'. Watch little see saw video for these words.

**SESE- Science**

- Go to **see saw** for demonstration from teacher
- Get some toy cars at home and try to move them along the ground- do they need to be pushed /pulled or both. Could you stick the wheels of one car so that the wheels don't move. Do the wheels roll or slide when moving them along the ground.
- Predict what would happen if you put them on a ramp- would they roll or slide
- ( roll means that the wheels/ object roll around, slide means that they don't move)
- Make a ramp and see can you push the cars down the ramp.
- Test other objects on the ramp to see do they roll or slide eg. paper clip, marble. Rubber, ball etc
- If you make the ramp higher or lower does that make a difference?
- You could also play with these objects on rough or smooth surfaces to see does the surface make a difference.
- You could measure how far the cars travelled if you wanted.
  
- In your copy- write down three things that you have learnt from playing with the cars, other objects and ramps.

**Thursday 28th January The subjects we would like you to upload today on see saw are Irish and Maths**
