on and then try yourself without the volume.				
Maths	Maths	Maths	Maths	Maths
<p>Tables -11</p> <p>MM:Week 29</p> <p>Planet Maths: Let's do some revision: pgs 128 and 129</p>	<p>Tables: -11</p> <p>MM:Week 29 (Number 10 should be familiar to you if you have done your PM)</p> <p>Planet Maths: Pg 130 Look at the link between addition and subtraction- all four sums use the same numbers Hint: When adding just swap the numbers around. When taking away always put the larger number first. (Children sometimes find this concept difficult but just explain the hints given above.. Use counters/ colours as concrete materials to see it if they are struggling).</p>	<p>Tables: -11</p> <p>MM:Week 29(Make sure to draw out number 11)</p> <p>Linking in with what you did yesterday pick three numbers and write four sums with those numbers eg. 3,14 and 17. $3+14=17$ $14+3=17$ $17-3=14$ $17-14=3$ Repeat this with four different groups of numbers.</p>	<p>Tables: -11</p> <p>MM:Week 29 (No.11and 12- Count the spots on each ladybird before doing the sum)</p> <p>Planet Maths: pg 131 Remember count backwards on the number line. (Remember when taking away using a number line don't count the number that you are starting on.Jump back from there whatever number you land on is your answer.)</p>	<p>Tables: -11</p> <p>Master Your Maths Test Week 29 Test</p> <p>Get somebody to test your -11 tables but we will be doing them again next week so don't worry if you find them difficult.</p>

<p>SESE</p> <p>Do an interview with one of your grandparents or parents (see sheet attached). Compare what life was like when they were your age to your life now. E.g. what was their favourite chocolate bar and what is yours? etc</p>	<p>SESE</p> <p>P.87 Look at the picture and talk about what is happening. Talk about how they are helping in the picture. Finish off the sentences using the word box to show how the children are helping. See if you can find other ways they are helping and write them into your copy.</p>	<p>Art</p> <p>Do you know anybody working in a hospital or in the ambulance service or anywhere on the front line. If you do, draw a picture for them to show how thankful you and your family are to them for doing so much work in getting us to a safer place each day. Send them the picture.</p>	<p>SESE</p> <p>P85. Theme 'summer'. Look at the new words and finish the sentences Draw each picture to show the signs of summer.</p>	<p>PE</p> <p>10 x Star jumps 10 X high knees 10x scissors jumps 10x skips (repeat all 3 times) Set up some cones the length of your garden and practice sprinting between them. Get somebody to time you. Practice this a few times each day and see can you run it faster each time.</p>
