

4th Class: May 18<sup>th</sup> – May 22<sup>nd</sup>

Hi everyone,

Hope you are all keeping safe and well. Work for this week is listed below. If you can why not join me on Seesaw for some helpful Maths and Irish tutorials? You can also upload some of your work for me to see.

This week lots of you sent me pictures of interesting things you have made or drawn recently. It's great to see how creative and inventive you are all being in keeping busy while we are at home. Please keep sending in the photos of your creations/inventions and with permission from your parent's I will share them on Seesaw for the rest of your class to see and enjoy! It's been lovely to see you all commenting on each others photos – a nice way to keep in touch a little - so keep them coming!

My email address is [ebergin@stlachtainsns.ie](mailto:ebergin@stlachtainsns.ie) so please do contact me with any questions or if you want assistance signing up to Seesaw.

Thank you,

Ms. Bergin
