

5th Class:

Hi everyone,

I hope all is well with you and your families and that you had a nice break over Easter. We will begin to ease ourselves back into doing some schoolwork again now for the coming weeks!! I'm going to lay out the work to be done for each day as this might make it easier for you to be organised. Give yourself about an hour to an hour and a half to complete written work each day – this can be spread out into shorter chunks of time or all at once, depending on what suits. Get plenty of exercise and fresh air also. Most of all, don't worry or stress about schoolwork – if you are stuck with something ask Mam or Dad to send me an email and I can try to help you out. When we do get back to school we will all be working together to catch up so don't worry about not understanding something or falling behind, this work is just to keep you in touch with school and is actually a great opportunity for you to learn to work independently – a skill you will use throughout your lives!

I'd like to use the email contact I have with your parents to give you feedback on your work as well as help you with any difficulties or questions so maybe choose something from the work you do every few days, take a photo of it or scan it in if you have the facilities and send it to me. If your Mam or Dad haven't already done so, they might send me an email to [ebergin@stlachtainsns.ie](mailto:ebergin@stlachtainsns.ie) so I can have an email address for every family in the class.

Looking forward to hearing from you!

Ms. Bergin
