

5th Class: January 11th-15th

Hi everyone,

Hope you are all keeping safe and well. Although we are all disappointed to be back here working remotely again I have no doubt that we will all do our best over the coming weeks.

You will all be familiar with how to sign up to Seesaw and how to navigate through activities etc at this stage. I hope you will join me there regularly to make use of the videos, voice recordings and activities to supplement your book based work. I also hope you will submit some photos of your work, maybe something each day that you are proud of or something you found difficult or would like help with. If you have any questions about any work just comment under the activity and I will get back to you. Remember everything you post on Seesaw can only be seen by me unless you ask me to release it for the rest of the class.

Do your best with the work I have assigned. You should be spending about 1hour 30mins – 2 hours per day on the work and hopefully you will be able to do most of it independently now that you are in 5th Class. Remember I am here to help you and the videos I post on Seesaw should also be of assistance, especially with your Maths.

Please do keep in touch via Seesaw if possible. Your parents can also email me at ebergin@stlachtainsns.ie.

Thank you,

Ms. Bergin

Everyday:

- **10-15mins reading a book of your choice.**
- **Outside for some fresh air and exercise.**

Monday: 11/01/21
