

5th Class: March 1st-5th

Hi everyone,

Hope you all had a nice weekend. Well done on your work last week.

Most of you have completed your Spellings for Me testing but if you haven't please get that done Monday before you start any of your other work. Instructions are on a video pinned to the top of your journal on Seesaw. Please contact me if you run into any difficulty or have any questions.

This week is **Engineers Week** so you will find lots of hands on activities to get involved in **marked in blue** on the plan for the week. Most of the things you will need you will have at home but a bag of small marshmallows and a packet of cocktail sticks would come in handy later in the week if you want to add them to your shopping list!

All going well, just two more weeks of remote learning so please continue to do your best to engage with the work, keeping on top of things now will really help you when we return to the classroom.

Keep in touch on Seesaw and try to join the Zoom call on Thursday. Also please do let me know if there is anything in particular you are struggling with and I will do my very best to help you with it

Your parents can also email me at [ebergin@stlachtainsns.ie](mailto:ebergin@stlachtainsns.ie).

Thank you,

Ms. Bergin

**Everyday:**

- **10-15mins reading a book of your choice. Link to AR <https://ukhosted11.renlearn.co.uk/6657860> and on school website so please do log in and keep quizzing.**

- Bua na Cainte – Leabhar Litrithe – L. 39 Ceacht 4
- Bua na Cainte 5 – L. 149 – Seó Faisin – Físeán ar Seesaw.

Maths:

- Master Your Maths: Week 22 Thursday P.49

- Mathemagic: P.119 – Q5, a,c,e,g,i. P. 120 Q6 a,c,e,g. Please watch the accompanying video on Seesaw.

#### Engineers Week: Activity 4 – Seesaw

- Choose one of the famous engineers/designers from the fact cards and find out more about them.
  - Present your work as a mini-project (1 A4 page). Include images or pictures (you can print or just copy and sketch yourself)
- Or
- Explore the role of women in engineering. Choose a famous female engineer and find out more about her.
  - Present your work as a mini-project (1 A4 page). Include images or pictures (you can print or just copy and sketch yourself)

Random Act of Kindness:

Do something nice to help out at home, offer before you have to be asked!!!

#### Friday: 05/03/21

Maths: **You will need your calculator for today's work.**

- Master Your Maths: Week 22 Test P.87
- Mathemagic: P.120 – Q7 b,d,f,h. Q8-11.

SPHE:

- Self Care Friday – Choose something from the Self Care Activities List on Seesaw that you can enjoy doing today. The idea is just to choose something fun and relaxing for you. Not everyone will enjoy the same sort of things so choose what suits you best!

#### Engineers Week: Activity 5 – Seesaw

- Watch the “Mark the Science Guy – Build a Bridge and Get Over It” video.
- Try out some of the ideas – build a bridge using the contents of your pencil case and some playdoh or Blue Tac or cocktail sticks and marshmallows.
- If you would like to try out some of the other activities in the video have an egg, your bundle of school books, some sheets of paper and a selection of coins. (optional)
- Remember lots of photos and videos please!!

PE:

- Joe Wicks/GoNoodle/Donna Dunne Fitness/Cosmic Kids Yoga/TJ Reid all available online.
- Kilkenny GAA Skills Video - Seesaw
- Enjoy lots of outdoor exercise, play and activity if you can.
