

Unfortunately I'm finding it difficult to access Bua Na Cainte online tools. It is hard to keep infants engaged in Gaeilge without some online activities and songs. We have decided to use a different scheme Abair Liom from folensonline.

It is easy enough to access. www.folensonline.ie

You must register as a teacher by filling in your name, email, password and roll number which is prim20

You will receive an email to activate your account.

Once you have logged in you, go to the library and select Abair Liom A. Select Theme : Caitheamh Aimsire. Comhra-Ag Sugradh (Click into it and Listen to the comhra)

Postear: Ag Sugradh

Amhrain: He ho Mo Dhaideo.
