School Book Rental Scheme: Arrangements 2020/2021

Dear Parent/Guardian,

As you may be aware the Department of Education introduced the new language curriculum which is now in place in all classes. We have decided to extend the Over the Moon series by Gill to the senior classes. Also included are a range of science, history and geography books.

- English: €5 Subscription to Accelerated Reading Programme.
- English: Textbook. Gill Over the Moon series. -

3 rd Class	4 th Class	5 th Class	6 th Class
To the Moon and	Shoot for the	Out of this World	Light Years Ahead

- SESE: Small World history, geography and science text books and activity books.
 - Window on the World textbooks.
 - STEM activity cards and workbooks for practical work.

The cost per child is €25.

For families of more than two children, the cost for each individual book will be capped, therefore no charge will be placed on the third or subsequent siblings in a family. The cost of the scheme is capped at 33% of the overall retail cost of the books in use through the scheme. The scheme is operated by Mrs. Bolger and Mr. Tynan on behalf of the Board of Management. The money collected is used to buy the sets of books for the classes, and to extend the scheme further, where possible. With careful management the books can last for up to five years or more. Included in the cost of the rental scheme is the cost of maintaining the good condition of the books, and replacing covers.

Parents of children who deface or damage a book in any way will be asked to replace the book.

****N.B. The scheme is voluntary. If you choose not to be part of the scheme, you will need to purchase the books yourself in the normal way and at full cost.***

If you wish to participate in the Book Rental Scheme, please complete the form below, and return it with €25 to your class teacher in a clearly labeled envelope.
