

## Week Beginning Monday 11 January 2021

Hi all,

I hope ye are all safe and well and had a lovely Christmas break. Unfortunately this is not how we wanted to start 2021 but it's for the best. I'll be sending out as much school work as possible. Don't worry just do the best you can. I would love to hear from you regularly.

My school email address is [jharrison@stlachtainsns.ie](mailto:jharrison@stlachtainsns.ie). I miss ye all and would love to see some pictures/screenshots of your work.

**Reading:** I came across these online resources that would be nice for stories or reading.

1. **Storyline Online**
2. **Freechildrenstories.com**

**Maths:** Read and Recognise numbers focusing on Zero 0.

Use as many opportunities to point out more, less or same. Plenty of counting activities at home. Number recognition. Can you find some numbers around the house? Number hunt around the class and find number 0.

**Planet Maths p 92, 93**

**Planet Maths small book-complete 28-31**

**P. 31 Draw objects to match the number.**

**English:**

Revision of our sounds. Using the copy, follow the instructions in the copy.

Write the s, a, t, i p sound, draw a picture that begin with the sound

**Over the moon Workbook. Page 54**

Learn the rhyme: A Chubby Little Snowman. Draw the rhyme in back of sounds copy.

# A Chubby Little Snowman

A chubby little snowman  
Had a carrot nose.  
Along came a bunny.  
And what do you suppose?  
That hungry little bunny  
Looking for his lunch,  
Ate that snowman's carrot nose  
Nibble, nibble, CRUNCH!

### Over the moon page 31. Blending words

Sound out and colour the picture that matches each word.

Phonics: Initial sounds page. 67

### Look Listen and Learn. P. 20.

Find the words that start with qu sound.

#### History:

Tom Crean was from County Kerry, he was an explorer. Here is a story of their journey to the south pole.

Listen to the story of Tom Crean's Rabbit and draw a picture.

<https://www.youtube.com/watch?v=NTQKeJkcG98>

#### SESE:

Polar Bear: Video.

<https://www.youtube.com/watch?v=T8Yvx9aZumc>

Talk and discuss where a polar bear lives, what do they eat etc.

Worksheet attached: Help the polar bear find her cub.

Hot and Cold: What happens to water if it gets very cold? And if it get very hot. How do you make water get very hot. Can you name some things in your house that are hot eg iron or something that might be cold.

Worksheet attached.

Kids, parents are also finding the Covid 19 lockdown hard too, so I'm going to ask you to do a little job for them every day.

1. Sweep the kitchen floor
2. Fill the dishwasher
3. Put your dirty clothes in the wash basket.
