

To all in Junior Infants,

I'm sure you are all glad to hear that we are on the home stretch. You may be aware we are finished academic work. You have all worked so hard at home with the help of mammy and daddy. It was not easy trying to do school work at home but I'm so proud of ye all. So over the next few weeks I have come up with some fun and enjoyable activities to keep you busy before the holidays. We have finished academic work for this year but feel free to finish the last few pages in Planet Maths, Over the Moon skills book.

Mon 15 <sup>th</sup>	Tues 16 <sup>th</sup>	Wed 17 <sup>th</sup>	Thurs 18 <sup>th</sup>	Fri 19 <sup>th</sup>
