

Hello everyone! We've been having lots of fun over the past few weeks here in Preschool 1. We've enjoyed lots of stories, "The Very Hungry Caterpillar," "Little Red Riding Hood" and "Goldilocks and the Three Bears." We learned about caterpillars and how they prepare to change into a butterfly. We sequenced the lifecycle of a butterfly, used paint to print caterpillars and made butterflies out of paper plates, lollipop sticks and pipe cleaners. We enjoy listening to songs and nursery rhymes that help us with our counting, colours and shapes. We've enjoyed baking and decorating some sweet treats – chocolate eggs at Easter, rice krispie buns and biscuits. We also made mini pizzas which turned out great. We have been keeping a close eye on some duck eggs in the school and we were very excited to find out that some of the ducklings hatched this week. We are having lots of fun on our new climbing frame and the new basket swing in the garden. Today we had a little party for one of our students who turned five! All of his friends were very excited to celebrate with him. Hopefully the weather improves over the next few weeks and we can spend lots of time playing outside.
