		<p>Play with balloons. The aim of this game is to keep the balloon off the ground, but move slowly and gently. You can pretend the balloon is very fragile if that helps.</p> <p>Put on some music/ songs and dance to it or just relax and do some breathing.</p> <p>Paint/draw a picture of the things that make you happy or do some colouring</p> <p>Blindfold Taste Test. Cover your eyes with a blindfold. With an adult, taste a food, possibly one that you haven't tried before. Eat it slowly and describe what it tastes like.</p>
