### Other bits...

1. Keep reading the book you decided on last week in preparation for your Book Review when we get back to school (if you weren't on our Zoom last Fri or haven't sent me your book choice yet, make sure you do that ASAP)
2. For those who haven't done this yet...I would like everybody to take a photo of a "Sign of Spring" in your locality and send it to me with an explanation before the end of this week.
3. You will have your Scrúdú Gramadach and your MYM test on Friday. I am posting no other work. Instead, I want you to prepare your schoolbag and uniform for Monday. Declutter your bag and make sure you have everything you need ready for our return!

### Notes:

- IF you can, please upload any activity for Seesaw as you complete it during the day. Try your hardest to have your work completed AND uploaded before 3pm each day. That's when school is over so try to be finished and have free time. I know this will not always be possible as you might have to share a device but try your best.
- **MOST IMPORTANTLY, if you have ANY problems, send me a message on Seesaw (or, if you're having a problem with Seesaw, send me an email) and I will get back to you A.S.A.P to try to help you as best I can. Remember, we are a team, and I am here to help.**

Ms. Meehan
