<b><u>SESE</u></b> <b><u>Bird Study</u></b>	<u>Bird Study</u> This week is a continuation of the study you have been doing over the last three weeks. I want you to photo as many different birds as you can that visit your garden or the surrounding area. Identify each bird using the info poster I send you a few weeks ago. Choose TWO birds that you have seen to do a more in depth study on. -Name, what they look like (size, colour etc.) , habitat, what they eat, nesting, describe eggs any other interesting facts. -Include the pics you have taken and you can also use some from your research - You can write out your project or you can type it up on a laptop/tablet and insert pics easily that way -If you type your project save it as an <b>Adobe Acrobat</b> document and you will be able to upload it to Seesaw (for some reason you can't upload Word documents but you can create in Word and save as Adobe Acrobat)	Upload Bird Study to Seesaw

Other bits...

Continue with our Wellness Challenge, Read (you can still do A.L quizzes, see the school website), get some fresh air and exercise (Donna Dunne Fitness is back every weekday at 9am and 12pm on Facebook, TJ Reid live at midday on Fridays on FB but you can go back over his sessions any time), make sure to help out at home too! Upload photos and I will share with the class if you would like me to

### Notes:

- IF you can, please upload any activity for Seesaw as you complete it during the day. Try your hardest to have your work completed AND uploaded before 3pm each day. That's when school is over so try to be finished and have free time. I know this will not always be possible as you might have to share a device but try your best.
- **MOST IMPORTANTLY, if you have ANY problems, send me a message on Seesaw (or, if you're having a problem with Seesaw, send me an email) and I will get back to you A.S.A.P to try to help you as best I can. Remember, we are a team, and I am here to help.**
